B L A S T

Within these pages are recorded the student life and activities of the 1948 graduating class of Greenway High School . . . . . .

DEDICATION

It is fitting that we, the class of '48, respectfully dedicate this annual to Mr. George H. Wichman who has served in the district longer than any other teacher. He retired in September, 1947, because of ill health.

Besides being an excellent teacher, he was always ready to help with extra-curricular activities such as football and track.

His students will always remember him as inspiring them to do their best.

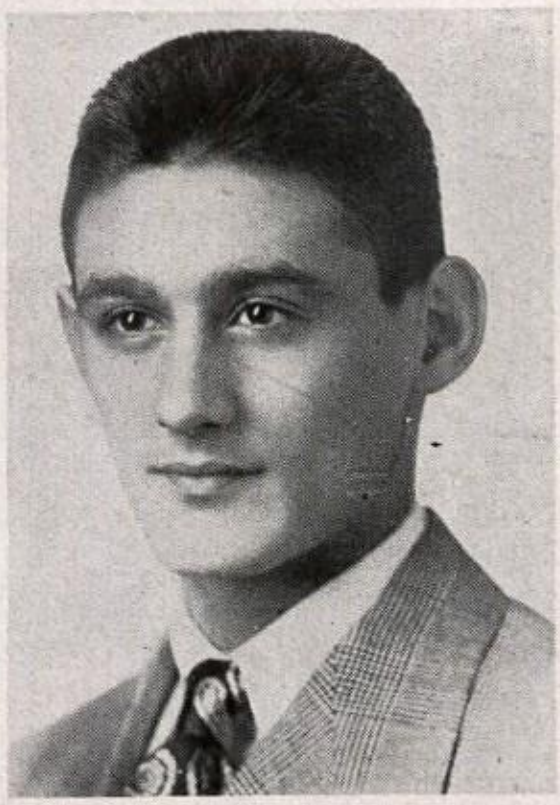
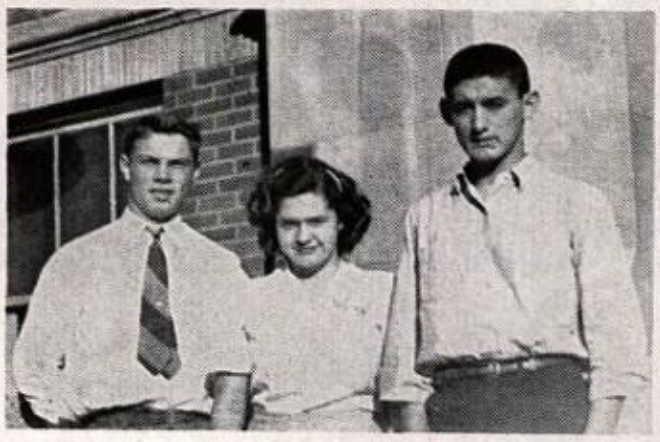
SENIOR CLASS





The class of '48 has shown that it is one of the most outstanding classes that have ever graduated from Greenway.

It has been high in scholastic ability as shown by the large honor roll. It has participated a great deal in extra-curricular activities, showing it to be an all-around class and quite capable of bringing forth leaders to guide our nation to greater heights.

PHOTOGRAPHY

In this organization we have twenty members each of whom take an active part in our club. The club, which meets every other week, is progressing very rapidly. At each meeting something more is taught to the individuals, such as how to take pictures, how to print pictures, how to develop, enlarging, and many other processes which are important. The club is having a good time while learning how to make pictures. Financially, we receive our money by selling football and basketball pictures during the year. The money that we receive through this activity goes into new equipment for the club. This is a very interesting field but requires much work, as most everything worthwhile does. This organization which we maintain as a hobby may lead to a vocation for some people. Our faculty advisor is Mr. Brennan. Officers for this year are President, Francis Chucker; Vice President, Wilfred Wisuri; Secretary, Elizabeth Gareri; Treasurer, Kenneth Olson.

Memories of the Football Season

As I look back over the football season,
The pep fests and games were mighty pleasin';
Our team really did their best,
But they just couldn't reach the quest.

At our first pep fest we were in store for surprises,
A beauty parade of all assortments and sizes;
Ah yes, such beauties as Roger and David were there,
The winner was David for he was the most fair;
Now Roger couldn't boast,
For of everything, David had the most.

The Rapids game came at last,
Bob, Gene, Toad, and rest were ready to surpass;
A victory was all Greenway needed,
For a tough game the team had heeded;
The Boys had shaved for the game,
Swede's wiskers had made a tremendous gain.

The teams battled up and down the field,
But to the Rapids the Greenies didn't kneel,
Only by score did the team lose,
The team played like a gallant crew;
They came off the field muddy and wet,
But we can sincerely say they did their best.

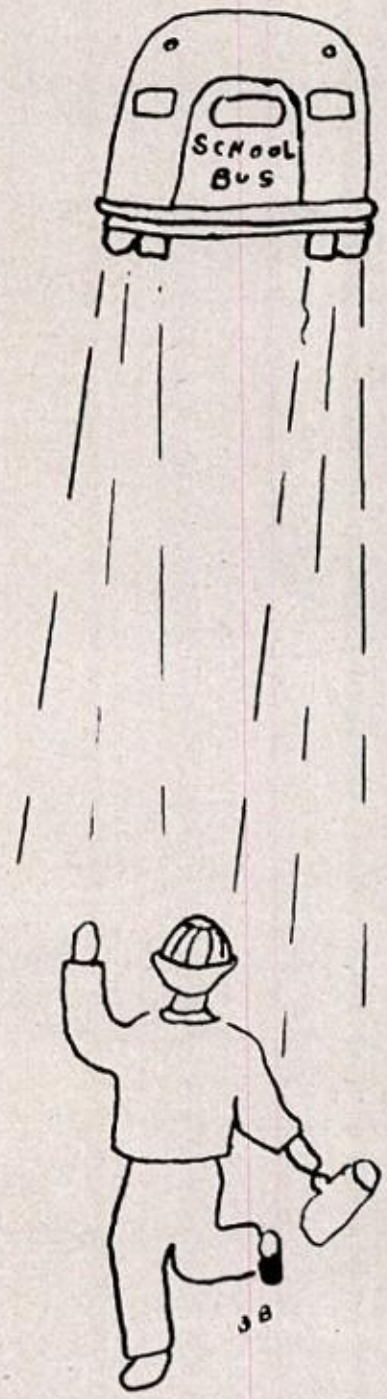
The Early Bus ?



It's 7:15 and off I trot,
To catch the bus — if it can still be caught.

I soon run a fast pace,
To only trip and fall on my face.

Up I get and start to fuss,
For down the street goes my bus.

"Another hour to make up," I cry.
And feel as if I'd rather die.

To miss Social is very bad,
(The best class I ever had.)

With no passing cars I get a ride,
So another hour's time I must bide.

I read the Sports in the morning paper,
Greenway team has cut a caper.

We beat Hibbing 47-45,
Which makes me glad I'm alive.

The 8:15 stops near by,
The driver, Hughes, asks where was I.

After a jolting, jarring ride,
We coast into Greenway with the tide.

To the principal's office I must go,
I walk quickly, then slower, then slow.

Up I stride to the old dear,
With a very poor excuse, I fear.

No written excuse have I,
So, NOT EXCUSED, he writes with a sigh.

Bob, this has got to stop,
Or the floor with you I'll mop.

A verbal beating I then take,
A hasty exit I soon make.

Then to 110 I return,
For my Social, I need to learn.

Well Bob, for missing the class,
With me two hours you'll have to pass.

To my desk I then retreat,
Wondering how the "rap" to beat.

Well this ends my tale of woe,
It's 5 o'clock — I'm free to go.

BOB NJEGOVAN

A Storm

A bolt of lightning, a blinding flash,
And in the sky a mighty gash
A slap of thunder and a boom,
Which seems to shake any room.
And then comes the wind-driven rain
From which many people feign,
And wish they were in some cozy spot,
Away from the lightning so white hot.

A storm is always a little scary
Which keeps some people from being merry,
When some people hear the rain so deep
They go to bed and fall asleep,
And hope the raging storm is gone
When they awake at the coming of dawn.

VERNON ANDERSON

Snowflakes

How wonderful the snowflakes
As they fall upon the ground,
So many shapes and sizes
That are dropping all around,
They are sent by God from heaven,
So beautiful to see
And I think that he has made them
Just for you and me.

BOB SHUSTARICH

Don Anderson

A carefree fellow, a twinkling eye,
That's the description of the guy.
A Balsam kid, a Louis fan
Who's leaving for Missouri, the warmer land.
Charles and he were great pals,
Whether arguing over school or whispering of gals,
We are all sorry to see him go
From the land of ice and snow,
He liked to argue which is no doubt,
And it didn't matter what about,
So, goodbye, kid; we all will miss your twinkling eye.

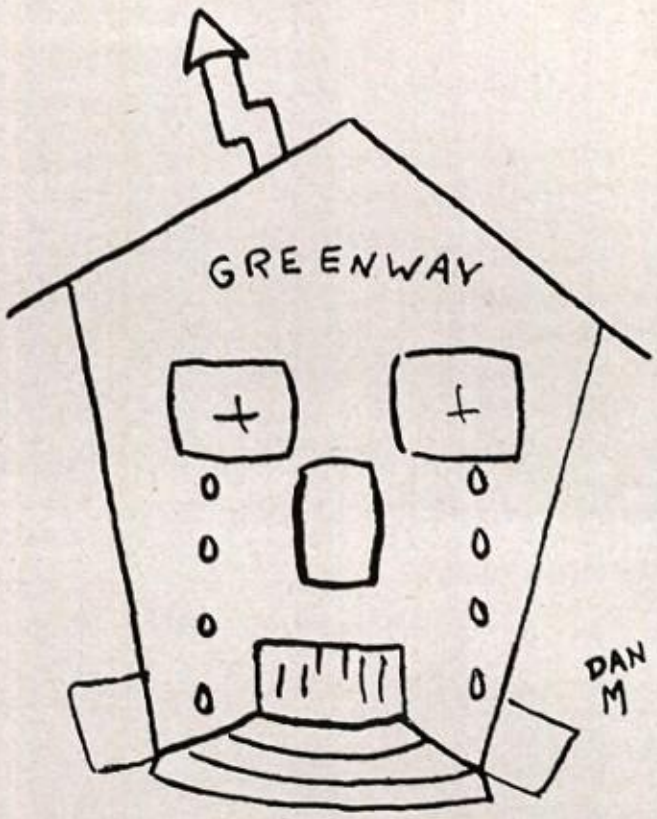
WISDOM IN TESTS??

Margaret Root: I shall take a make up test on Profit.
Bob Njegovan: It's bound to be a loss to you.
The death of Louis XVI was quite exclusive.
Since 1789 the budget has been made by Franklin D. Roosevelt.
Charles II wanted to rule by trying to keep his head.
Gabelle: a man in the English Parliament.

Greenway

When Greenway I leave behind me,
I know I'll look back and see
The time when I had my happy day
And how I wished I could stay.
Now my social teacher, Miss Hammerlun,
Was usually as happy as the sun,
Then for English, Miss Johnson came
To help us enjoy literature was her aim.
All I can really now say
Is she helped me in every way.
Then there was Mr. Burich for bookkeeping,
His favorite subject he was teaching.
Then Miss Ward, known as June
Time to leave came too soon.
She taught us shorthand and then filing,
When she was serious, I was smiling.
Now you see why I hate to leave;
For dear old Greenway, I'll always grieve.

VIRGINIA TORKKOLA



Iambic Pentameter

The winter sun is shining in the sky,
The snowflakes gently falling round my head
And round about the tiny snowbirds fly,
To find among the pine tree boughs a bed
These things of winter time I love the best —
The snow, the ice, the biting winds, the cold,
And many more I dare not mention lest
I'd lose my right to cherish them when old.
For when I'm old my days shall pass away,
Far from this land of winter, snow and ice,
In lands of sun where I shall go to stay,
In southern states where all the days are nice

FOOTBALL

Greenway-7 Eveleth-0. We started out in the right way. We scored early in the first quarter and held the rest of the game. Eveleth had the biggest line in the conference.

Chisholm-19 Greenway-0. They scored two touchdowns in our fumbles inside our twenty-yard line. The other touchdown came on an intercepted pass. We missed several chances to score.

Greenway-14 Hibbing-8. Our second win was at the expense of Hibbing. We fought hard and were rewarded.

Virginia-7 Greenway-6. Our only touchdown came from 14 yards out on an off-tackle smash.

Greenway-33 Int'l Falls-0. We played average ball against an out-classed opponent.
Greenway-26 Ely-7. It was the best game of the year.

Grand Rapids-13 Greenway-12. We led 12 to 0 at the half. Both the Rapids' touchdowns came on passes. Our trophy case again looked empty without the "jug".

Greenway's star tackle, and captain, Bob Badavinac, was given a first team berth on the All-Range team. Wesley Otten, who missed being voted on the first team by a narrow margin, was placed on the second team along with Greenway's end, Bob Lawson.

This marked the end of Greenway's football season, consisting of a 4 win—3 loss record and numerous mentions for the Greenway players.

Every three weeks, the editorial room of "The Itascan" is a scene of violent activity — Itasca's All-American paper is going to press. Because of the increase in sports and other activities this year, the Itascan proved quite successful. The co-editors were Joyce Marohn and Jean Becker. The Itascan staff is under the direction of Mr. Davies.

The Student Council consists of the class officers and presidents of the school organizations. The function of this advisory body of students is to co-ordinate and promote college and social activities. It also acts as a student governing body, which decides upon non-administrative student policies. Mixers, a picnic, the annual class day, and the establishment of a college room are some of the functions directly sponsored by the Student Council.

This year, because of an increase in male members, Itasca Junior College has had a well-balanced choir. About twenty-five members were consistently enrolled in this organization throughout the year. The Choir made its first appearance at the annual Armistice Day program. A mixed quartet and also a male quintet have been organized and are scheduled for many public appearances. The Choir is planning many future performances during the remainder of the year.

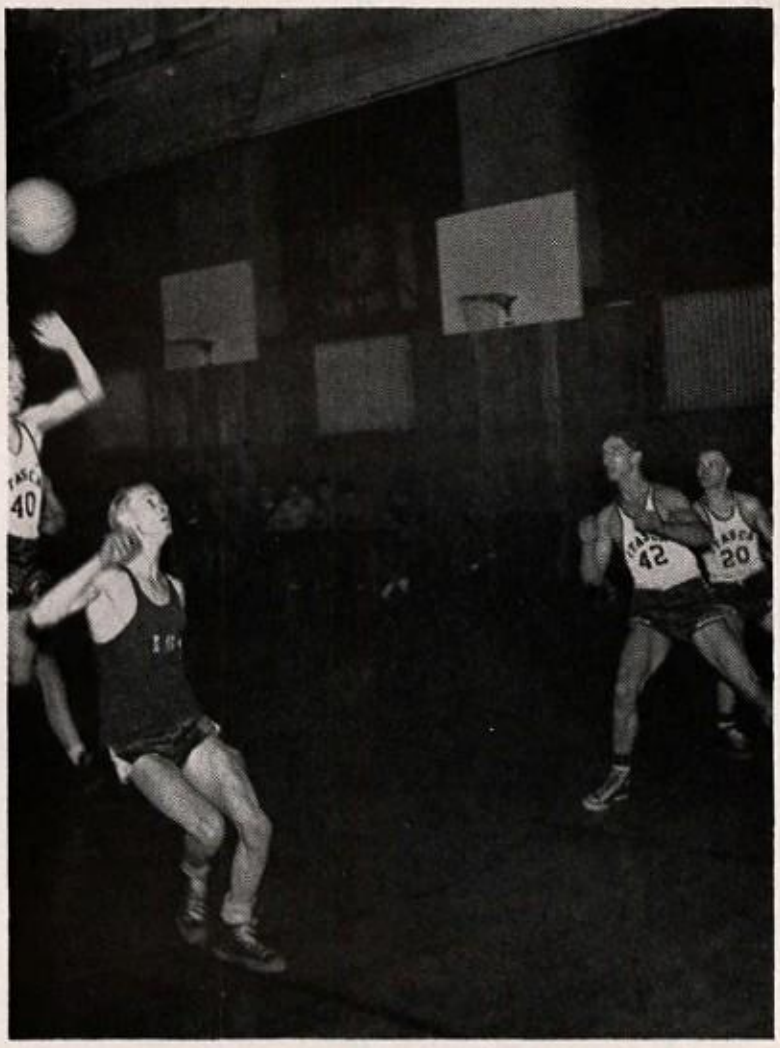
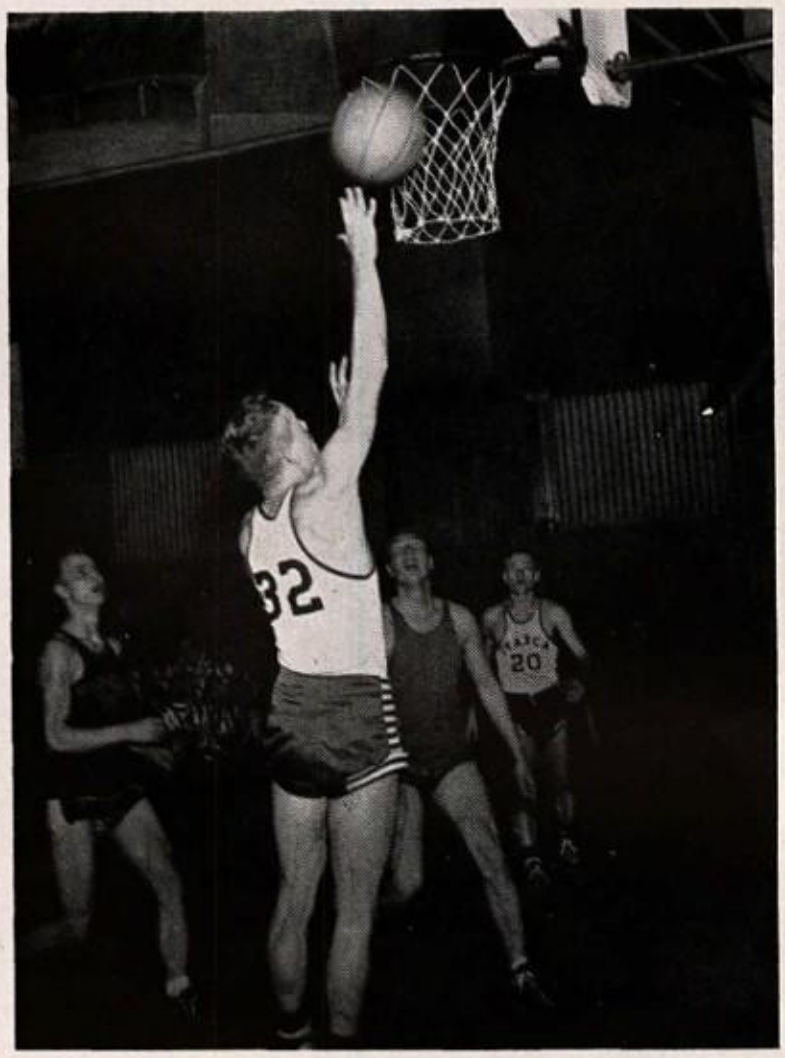
BASKETBALL

Our basketball team started off with a bang this year. Everyone thought we had a conference winning team, but Duluth J. C. started us on our downhill slide. The boys tried to pull themselves to a halt, but to no avail. Maybe next year the team will have more luck.

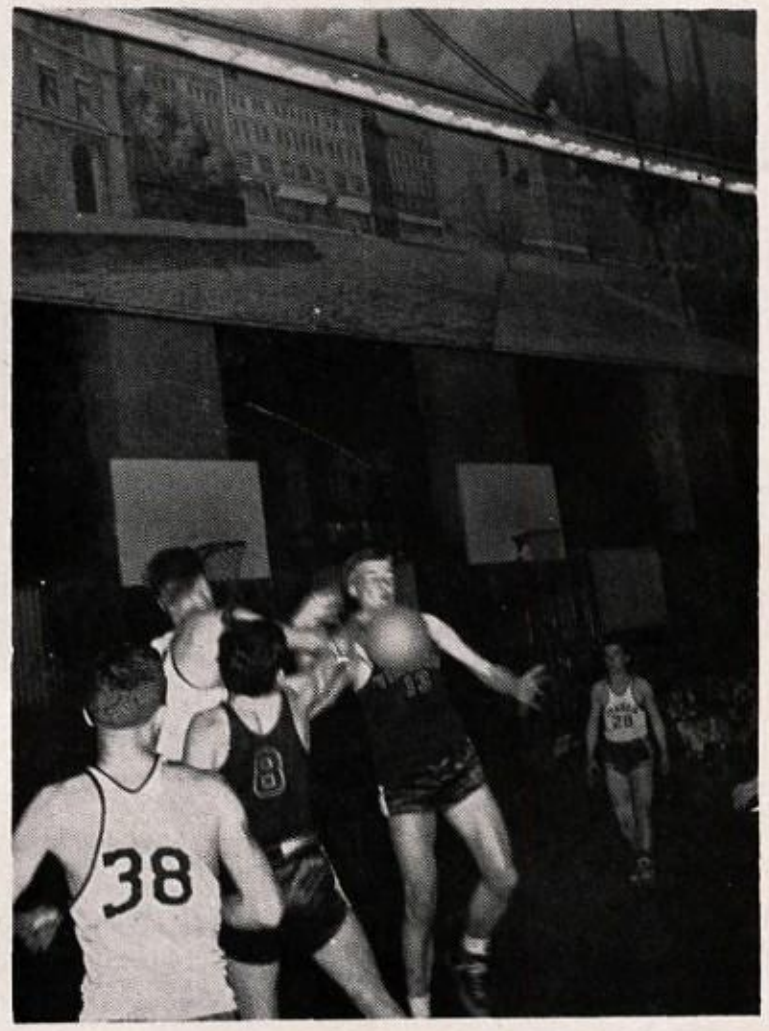


What a physique!

Yeah "Squaw"!



Score for Itasca!



Who hit who?

FOOTBALL

Where's the ball!

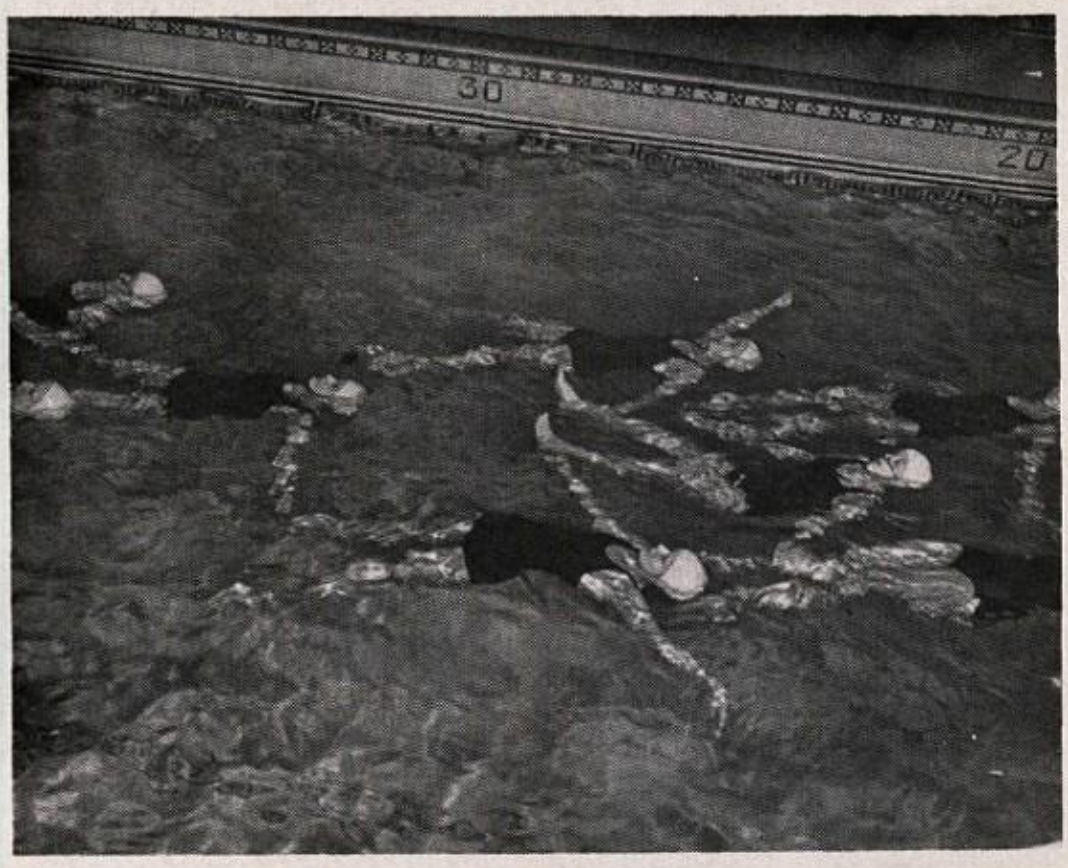
He looks scared!

Our season this fall wasn't one of the greatest, but then it wasn't the lowest either. We had some very outstanding men in the field and they deserve a lot of praise for their fine showing. Our boys had four wins, two losses, and a tie with Virginia. Next year we will have more new athletes as we are losing quite a few of our varsity men. Here's wishing both the old and the new, — good luck!

Who's on top!

Guess who!

Who moved



this head?

Open your eyes, Peg!

W. A. A.

Playing pattycake?

Watch the birdie!

The girls sports this year consisted of only a few athletic achievements. The few there were proved to be outstanding. The ballet swimming team, which consisted mostly of new material, showed its true color and came through to a grand performance. The girls also tried their hand at both basketball and archery this winter and spring quarter.

Ambitious, aren't they?

Where's the apple!

STUDENTS!

This Annual is possible only through the kindness and good will of the business and professional people whose advertisements and professional cards appear on the following pages. They have done their part well!

The next step is up to you. As a token of appreciation of their loyalty and generosity, we sincerely urge you to give them your patronage. Stand by them – they stood by you! Won't you do your part?
